“ Danielle, you have always and will always be the little sister I never had. I remember when I first met you, you looked like Punky Brewster minus the pig tails. That long beautiful dark hair you got from your mom and the freckles you got from your dad. I'll definitely miss our talks and sharing love for Vin Diesel and the 1990 Mitsubishi Eclipse. I know you are happy, healthy and smiling down on everyone while hanging out with Jesus and your dad. Til we meet again lil sis...143 4ever
